A Program of the Mattress Recycling Council®

This program is the result of a 2013 law passed in California. It is funded through the recycling fee listed on your receipt.

Each year, the Mattress Recycling Council's Bye Bye Mattress program facilitates the recycling of nearly 1.5 million mattresses across California. The fee collected on the sale of all mattresses and box springs establishes collection opportunities throughout the state, mitigates illegal mattress dumping and funds research to improve mattress recycling.
