

Rest Easy! Your Old Mattress CAN Be Recycled.

Drop it off at a participating location,
use your solid waste provider, or ask
your retailer about taking it back.

California's Mattress Recycling Fee Is \$10.50 Per Unit

Each year, the Mattress Recycling Council's Bye Bye Mattress program facilitates the recycling of nearly 1.5 million mattresses across California. The fee collected on the sale of all mattresses and box springs establishes collection opportunities throughout the state, mitigates illegal mattress dumping and funds research to improve mattress recycling.
