

List of Included and Excluded Products:

Last Updated: February 2025

Included Products (subject to the fee and admissible for recycling through MRC):

- **Mattresses:** Defined as any sleep surface covered with ticking or fabric and that contains resilient material such as steel innersprings, foam, fiber or other filling or upholstery materials, used alone or in combination with other products, regardless of size or shape, except for those products listed below. This includes new, used and renovated products.
- **Foundations (including box springs):** A ticking or fabric-covered structure used to support a mattress or sleep surface and may be comprised of a frame, foam, springs or other structure, or other materials, used alone or in combination, regardless of whether the product is stationary or adjustable. This includes new, used and renovated products.
- **Used and renovated mattresses or foundations:** Renovated mattresses and foundations are excluded in Oregon.
- **Futons:** Only in California effective as of Jan. 1, 2020. Fee does not apply to futon frame or base.

Excluded Products (not subject to the fee and not admissible for recycling through MRC unless otherwise noted):
