Rest Easy!

Your Old Mattress CAN Be Recycled.

Drop it off at a participating location, use your solid waste provider, or ask your retailer about taking it back.

California's Mattress Recycling Fee Is $18.00 Per Unit

Each year, the Mattress Recycling Council's Bye Bye Mattress program facilitates the recycling of nearly 1.5 million mattresses across California. The fee collected on the sale of all mattresses and box springs establishes collection opportunities throughout the state, mitigates illegal mattress dumping and funds research to improve mattress recycling.

Contact Your Solid Waste Provider

Your solid waste provider may offer pickup of large, bulky items at the curb. See which ones recycle with Bye Bye Mattress on our website.

Ask Your Retailer To Take It Back

Retailers that provide delivery of mattresses and box springs in California must offer at the time of delivery to pick up your old one for no additional cost. Online retailers have 30 days to arrange the pick-up of your old one. Your retailer may still charge delivery or set-up fees. Ask about take back and recycling during your purchase.
