Consumer Notice: The recycling of your mattresses and box springs is provided through the Mattress Recycling Council's Bye Bye Mattress program (www.byebyemattress.com). The program's enacting legislation, RI General Law Chapter 23-90, provides for the "**collection of discarded mattresses from any person in the state with a discarded mattress that was discarded in the state.**" To prevent the illegal use of this RI program from out-of-state consumers, we require contact information to verify the origin of the collected units by this transporter. This information will be used solely for internal auditing of mattress deliveries and will not be shared or disseminated with any other parties outside of the auditing process.

Hauler Notice: Per RI General Law Chapter 23-19-13.1(a) - Disposal of solid waste originating outside the state prohibited, "No person, firm, corporation, transfer station, or any other commercial entity engaged in the business of collecting, disposing, sorting, separating, recycling, processing, manufacturing, or remanufacturing of solid waste shall deposit or cause to be deposited solid waste that is generated or collected outside the territorial limits of this state at the central landfill, except as provided in this section. Each deposit in violation of the provisions of this section shall be punishable by imprisonment for up to three (3) years and/or a fine not to exceed fifty thousand dollars (\$50,000)."
